- 1989 - The first year of repairs was in response to the damage caused by Hurricane Hugo and at the urging of LSUMC youth.
- 1993 - In its fifth year, the repairs project was named "W.A.R.M."
- 2001 - Lyttleton Street UMC vision was to expand W.A.R.M. Three United Methodist Churches joined, sending workers. St. John's UMC provided a lunch. W.A.R.M. workers repaired 15 homes in 2 days.
- 2002 - Five area United Methodist Churches sent workers who repaired 20 homes.
- 2003 - W.A.R.M. grew to include six churches.
